Wabtec Announces Webcast Of Conference Call Discussing 2002 Expectations

WILMERDING, Pa., Dec. 6, 2001 – Wabtec Corporation (NYSE: WAB) invites interested shareholders and other stakeholders to listen to its conference call live over the Internet on Wednesday, Dec. 12 at 9:00 a.m. Eastern Time. William E. Kassling, chairman, Gregory T.H. Davies, president and chief executive officer, and Robert J. Brooks, executive vice president and chief financial officer, will host this discussion of the company's expectations for 2002.

Listeners can access the Webcast on the "What's New" page of the company's website at www.wabtec.com, or by logging onto www.videonewswire.com/event.asp?id=2382. The Webcast will also be archived until Jan. 11.

Wabtec Corporation (www.wabtec.com) is one of North America's largest providers of value-added, technology-based products and services for the rail industry. Through its subsidiaries, the company manufactures a range of products for locomotives, freight cars and passenger transit vehicles. The company also builds new locomotives up to 4,000 horsepower and provides aftermarket services, including locomotive and freight car fleet maintenance. The company has facilities located throughout the world. Wabtec's mission is to be judged by its stakeholders as the world-class corporation focused on helping its global customers compete more effectively through higher levels of safety, quality and productivity.
